

Vancouver Island University – Nanaimo Campus is located just off the Island Parkway at the south west end of town.

Arriving from the North – stay on the parkway through town and turn left onto 5th street at the College drive light at the top of the “big hill”. If you’re arriving from the south, stay on the parkway heading towards Campbell River and turn right onto 5th street at College drive.

There are a number of pay parking lots to choose from, as indicated on the map. The parking lot closest to building 356 is accessed by driving down 5th street from the parkway, turning left at the Wakesiah light, turn left again at the 4th street light and go right up the hill to the parking lots P and N.

For more information on parking at VIU, including rates, go to <http://www.viu.ca/parking/index.asp>
